

These are newspaper public service announcements.
Please take to your local news paper for publication.

CHECK YOUR HOT SPOTS

With proper use, portable electric space heaters provide warmth and comfort. But space heaters need their space. They aren't drying racks or toasters! Keep anything combustible at least three feet from an electric space heater.

If you have questions, ask the fire department. Fire prevention is their mission. Make it yours too!

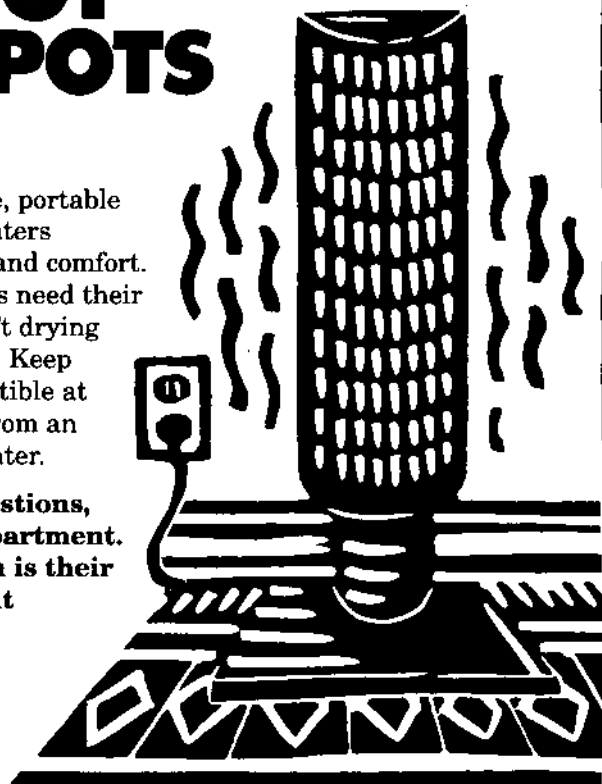

A message from your local fire department, LLR - Office of State Fire Marshal, and the U.S. Fire Administration.
