CHECK YOUR HOT SPOTS

Don't blow your stack over fire safety! Some simple rules to follow when buying, installing and using a woodstove:

Get the manufacturer's written installation requirements and follow them. And check with your fire department for local fire and building codes engineered for your safety.

If you have questions, ask the fire department. Fire prevention is their mission. Make it yours too!

A message from your local fire department, LLR - Office of State Fire Marshal, and the U.S. Fire Administration.
